Intercim's Asia Pacific reseller MEMKO to exhibit at Australian International Airshow AVALON2009

Where: Hall B Stand 2C17, Geelong, Australia,

When: 10 – 15 March 2009

ST. PAUL, Minn. — February. 20, 2009 — [Intercim](#), LLC, a global leader in manufacturing operation management (MOM) software, announced today that its Asia Pacific reseller, [MEMKO](#) Pty Ltd will be exhibiting for the first time the Pertinence Suite of products enabling users on the shop floor and across the supply network to better collaborate on process definition, manufacturing execution, and quality management to reduce manufacturing costs, improve cycle times, and accelerate time to market.

The exhibit will feature latest information on Pertinence Suite, Customer case studies and demonstration software.

The [Avalon Airshow](#) has a proven track record with over eight consecutive events and is well established as a regular feature on the world aviation, aerospace and defense calendar.

The show is Australia's largest and most comprehensive aviation, aerospace and defense exposition and it encompasses the full range of military and civil aviation and aerospace, as well as air and land defense.

About Intercim

Intercim has 25 years of experience in helping discrete manufacturers meet regulatory requirements, harness lean principles, manage quality and execute processes in a paperless environment.
