

FOR IMMEDIATE RELEASE

MEMKO Pty Ltd to exhibit at Land Forces Conference

September 2014 – MEMKO Pty Ltd an Australian owned service and solution provider for Aviation, Aerospace and Defence Engineering Services, Software and Training, will exhibit at the 2014 Land Forces Conference at the Brisbane Convention and Exhibition center between the 22-25th of September.

MEMKO will be exhibiting the Dassault Systèmes product portfolio (CATIA, DELMIA, 3DVIA and ENOVIA) and defence industry solutions delivering value to defence organizations engaged in product development, manufacturing and sustainment.

MEMKO is part of the Victorian Government stand at Land Forces, further strengthening the existing relationships with the defense industry.

Miro Miletic, Managing Director, MEMKO said “ We are delighted to take part in the Land Forces conference and look forward connecting with new and existing customers on the stand.”

###
